

TRANSPORTATION

A daily, roundtrip bus to/from the Crowne Plaza will be available at no cost to you, but if you decide to arrange for accommodations elsewhere, please be advised that you will also have to take care of your own daily transportation and that the rush hour traffic into Hartford in the morning is generally very slow. Beside the obvious benefit of having daily bus transportation, staying at the Crowne Plaza also allows you to be within walking distance of some good restaurants and cultural attractions downtown, including the world-class Wadsworth Atheneum Museum of Art (www.thewadsworth.org), the Connecticut Science Center (www.ctsciencecenter.org), and the Old State House (www.ctosh.org).
